Switch —

-

- Windows 98/2000/Me/XP/2003/Vista/Win7/Win8/Win10.
Switch is just one component of the NCH Software Sound suite of audio software for business. If you have not done so already, please visit <http://www.nch.com.au/software> to download many other audio related programs.

<http://www.nch.com.au/switch/kb/1405.html>_____.

Once your files have been added, if you wish to remove any of them, select the files and either click the "Remove" button, or select File -> Remove from the menu. To select multiple files at once, press the Ctrl key and left-click on the files you want to select. To highlight all the files, either select File -> Select All from the menu, or press Ctrl + A.
